### K. U. DEFEATS TOPEKA.

The Athletic Club is beaten at Lawrence by the Small Score of 19 to 0. The foot ball team of the Topeka Athletic association was defeated by the State University team at Lawrence on Saturday afternoon by a score of 19 to 0. At four o'clock the two teams lined up on the McCook field in the following order: TOPEKA. POSITIONS. K. U. Caughlan, Right end. Armour. Bartholm, Right tackle. Fletcher. Rice, Right guard. Hassig. Heise, Center rush. Stone. Watkins, Left guard. Moody. Lawrence Carr, Left tackle. Pope. Omer, Left end. Steinberger. Prus, Rt. half back. Wilson. Montgomery, Lt. half back. Hill. Dalley, Quarter back. Williams. Evans, Full back. Hester. K. U. won the toss and chose the east side with the wind in their faces. In the first half K. U. made two touchdowns and kicked one goal. Score 10-0. In the second half Kleinhans took Montgomery's place as half back. The K. U. substituted four men in the second half. One of the brilliant plays of the day was a touch-down by K. U. in less than a minute. McMurray, (K. U. substitute) kicked a goal from the field, making the score 19 to 0. After a few scrimmages, in which the K. U.'s advanced to the goal once, time was called. The Topeka boys put up a fine game but their team work was deficient. Mitchell acted as umpire and Sherman as referee. Prof. Hector Cowan was line man. Next Saturday K. U. plays Doane college of Crete, Neb., at Lawrence. The Doane team played a tie game with Baker university last year. In the Topeka team were three men who never played foot ball before although they will make valuable men in time. OBJECT TO SIMPSON. Democratic Committee Files a Protest to the Nomination Papers of Simpson. The Democratic state central committee late Saturday afternoon filed objections with the secretary of state to the nomination papers of Jerry Simpson for congress in the Seventh district. Three sets of nomination papers for Simpson

First as the nominee of the congressional committee; second, as the nominee of the committee as an assembly; and third, as the nominee on petition of twenty-five citizens of Pawnee county. This case will be heard and settled October 15, when the referendum state ticket is to be considered by the state election board. NO SMALLPOX IN TOPEKA. A Crowd at the Sheriff's Office Thought They Saw Smallpox. There was a smallpox scare at the court house this morning. W. H. Hammond, a young man from Valencia, created all over his body that looked like smallpox. He was in the sheriff's office telling his troubles to a crowd of men when he kindly showed some of the eruptions. The doors to the sheriff's office were not large enough for a few seconds to accommodate those trying to effect an exit. They thought it was smallpox sure and so did the sheriff. The man was hastily transferred to Poor Commissioner Hale's office, which was empty at the time, and the door was shut. When Hale arrived he took Hammond over to County Physician McClintock's office where his eruptions were found to be due to blood poisoning. Hammond has been cutting wood several days for Henry Homer of North Topeka. The Best Installation House. TROUBLE ABOUT A WALK. D. H. Moore Objects to Having It Put Down to Grade. There is trouble about the grade of the sidewalk on the east side of Tyler street, between Fifth and Sixth streets. The walk in front of the residence of Fred Miller, and that adjoining was condemned, and a new sidewalk ordered. The old walk is a foot or more above grade, and Mr. Miller does not want the walk put down unless a cut is made and the walk put on grade. This would have been satisfactory, but D. H. Moore, who lives south of Mr. Miller's, has a good brick sidewalk which would have to be taken up and the grade lowered. He also has a beautiful park, and large trees which would also have to be destroyed. So naturally Mr. Moore objects to the grade being changed. The committee on streets and walks was instructed to investigate the matter. At the last meeting of the council the committee reported unanimously that the grade be left as it is. The report was rejected, and the matter referred back to the committee. The grade for Mr. Moore's walk was established several years ago, and he cut down his park and destroyed his trees and set out others. But when the Hicks' flats were built the grade was again changed, and he now finds himself "above grade" once more. The council will attempt to adjust the matter tonight. Value Received. Is just what we can give you in our \$2, \$2.50 and \$3 shoes, at Furman's. It Does Pay.
